

Adjuster – Texas Workers’ Comp

Position Title: Workers’ Comp Claims Adjuster
Company Name: Edwards Risk Management, Inc.
Location: Marble Falls, TX
Job Type: Full-time
Experience: 3 to 5 years
License Required: TX Workers’ Compensation Adjusting License

Overview:

Edwards Risk Management, Inc. (ERMI) is a family-owned independent risk management servicing firm specializing in workers' compensation, property and liability, employee benefits and unemployment compensation. Our vast array of services includes program administration, third party claims administration, loss prevention, wellness, environmental/industrial hygiene and risk management and employee benefit consulting. Our dedicated staff brings experience from many sectors of public and private businesses, and includes risk managers, administrators, board members, association staff and trustees, adjusters, underwriters and risk management consultants.

Since our inception in 1990, ERMI has chosen to remain a small company so that we can stay focused on building partnerships with our clients, giving dedicated attention and care to each one. Our caring, service-driven attitude is reflected in our holistic approach to risk management, integrating the science of risk management with highly effective education and training programs in employee safety and wellness. We pride ourselves on the quality product we deliver, the cost-savings we can provide, the continued satisfaction of our clients and, most importantly, their employees and families.

Here’s what you would help us do:

Edwards Risk Management, Inc. manages several modified self-funded and fully funded workers' compensation pools, as well as individually self-funded accounts. Our client base is comprised of public entities, predominately school districts. ERMI strives to stabilize, contain and reduce the costs of our customers' workers' compensation coverage. What motivates our staff is the reward of knowing our efforts ultimately return these dollars to our public entity patrons and to the education of our children.

Job Summary:

The selected candidate will be assigned to handle workers' compensation claims for specific accounts, exercising good judgment while resolving claims according to our Best Practices, consistent with clients' and corporate guidelines and also in accordance with statutory, regulatory and ethics requirements. Proper judgment and decision making is crucial to effectively analyze the claims exposure to determine the proper course of action.

Qualifications:

- Maintain current adjuster’s license with 3 to 5 years related claims handling experience required
- Extensive knowledge of Workers’ Compensation law, industry standards, medical and legal terminology
- Effective written and verbal communication skills
- Excellent organizational skills, demonstrating attention to detail, accuracy and ability to meet deadlines
- Strong team player with ability to perform duties as directed and work independently

Benefits:

ERMI offers competitive salaries and generous benefits, including: group medical plans, flexible spending plan, company matched 401(k), life and accident insurance, long-term disability, fitness membership assistance, Employee Assistance Program, and more.

The mission of Edwards Risk Management, Inc. is to partner with our clients by ethically and efficiently providing innovative and effective risk management services to meet their needs, improving the quality of life for their employees and families, while nurturing and enhancing the wellbeing of our employees and their families.
